## Comfort is timeless.

Our inspiration is rooted in the past, but we are always looking to the future with the same idealism that inspired our mentors.

Our mission is to reintroduce an element of playfulness into modern interiors. Minimal is beautiful, don't get us wrong, but let's loosen up a bit.

## Our Start\_

Hybrid-Home was born out of a need for fun and stylish home accessories at reasonable prices. A friendly approach to modernism. It started as a hobby for Dora while living in Portland where she made small pillows for her apartment. Since then, Dora has incorporated her love of modern interiors with her graphic sensibility to create timeless accessories that warm up a room.
